## **Editorial Note**

This month's local elections have resulted in big changes in the composition of the Parish Council (see opposite page). Cllrs David Carter, Gordon Lane, John Mangan have stood down, while Philip Fejer, Maureen Pearman and Susan Rutherford join current Cllrs Duncan Henderson, Jan Kemp and Peter Rutherford.

Special thanks are due to David Carter for his Chairmanship of the Parish Council since 2019, a role he took on shortly after stepping down from chairing the Trustees of the Village Hall for several years. We shall miss his dedication and commitment to the interests and wellbeing of the village, and his skilful management of the bi-monthly Parish Council meetings. Not least among his achievements was ensuring the reinstatement of the post-box on Pineheath Road and the installation of a defibrillator in the former telephone box on the A148, small but nevertheless important amenities for village residents. First and foremost, however, he was the driving force behind the Parish Council taking over the publication of a regular village newsletter in the form of the *Chronicle*.

The Deputy Chair, Gordon Lane, has been for several years the lead on matters relating to highways and footpaths within the village, particularly in relation to traffic speed on the A148. He also took a literally hands-on approach to keeping the village tidy, whether by clearing debris from the A148 footpaths, mowing the grass on the Pineheath Road dog-leg or righting the bollard on that road after it had been knocked over (yet again) by a delivery lorry.

Patrick Kelly could be relied upon to adopt the role of 'elder statesman', listening patiently to the views of others before offering up a considered and thoughtful consensus position which, more often than not, would then win the day.

John Mangan was our expert on wind-energy matters, liaising with other local bodies and pressure groups in seeking to minimise the impact of the supply cables on our Area of Outstanding Local Beauty.

Niki Doran brought a new perspective to the Parish Council and we hope she will be able to return when her current work commitments allow.

Our thanks to all departing Councillors for their service to the village.

**Cllr Duncan Henderson, Editor**

## The Coronation of King Charles III

Wonderful to know that the village is coming together to celebrate the Coronation. Tickets for the Sunday Big (Buffet) Lunch on Sunday, 7<sup>th</sup> May are sold out, the food, drink and celebratory cake has been ordered, and the Village Hall is being suitably decorated. It promises to be an event comparable to last year's Jubilee celebration.

It will be a great way to celebrate the Coronation and socialise with fellow villagers. The Old Rock Shop Bistro in Cromer is providing the finger buffet; I can wholeheartedly recommend their food. Vegetarian options are of course available, and the Bar will be open. Thank you to everyone involved in organising the event; the Village Hall and your Parish Council are sharing the greater part of the cost of the event.

The following day, Monday 8<sup>th</sup>, sees High Kelling's events for the Coronation's Big Help Out day. At 10am the Hall will be the starting point for the first Village Litter-pick of the year. Following this, at 11:30am, pickers and invited volunteers who have contributed to village life will come together for a well-deserved cuppa and bacon rolls.

## The Parish Council election

I would like to take this opportunity to thank those of my fellow Parish Councillors who have not sought re-election, namely Vice-Chair Gordon Lane, Patrick Kelly, John Mangan, and Niki Doran. All have contributed to the work of the Parish Council, through the good times as well as the challenges presented by Covid. A special thank-you to Gordon for his support and enthusiasm. In their place Philip Fejer, Maureen Pearman and Susan Rutherford, will be joining current Parish Councillors Duncan Henderson, Janice Kemp and Peter Rutherford.

## A personal statement

I have had the privilege to be a member of the Parish Council and as Chair. This followed a number of years as a Trustee and Chair of the Village Hall Management Committee. I thought long and hard but decided not to seek re-election to the Parish Council. I like to think it has made a significant contribution to maintaining and improving the village and am sure it will continue to do so in the future.

I will, of course, continue to contribute to village life where I can and support the work of the Parish Council.

### The new Defibrillator

As mentioned in the last issue, the new defibrillator located in front of the Village Store and Post Office is now up and working. Indeed, it has already been used, repaying the time, cost and effort put into acquiring the former telephone box and the machine itself.

The decals highlighting it have been applied and it is being checked on a weekly basis.

Arrangements are in hand to provide training.

### Continuing support for the Treehouse Community Fridge

Donations of food, household goods and toiletries made at the Village Hall and the Village Store continue to be delivered to the Treehouse. Many thanks to all who donate to those in need.

### The next meeting of the Parish Council . . .

. . . is scheduled for Tuesday 16<sup>th</sup> May, 7pm, at the Village Hall. The meeting is open to the public, there is a specific session for public comment and questions. As always, any changes can be found at [www.highkellingpc.info](http://www.highkellingpc.info) or by contacting the Parish Clerk.

## **News from Your Village Hall**

### **Annual General Meeting**

I know it's difficult to believe but we've always struggled with turnout at this event, so this year we are trying something different - we're going to hold it in the evening rather than the afternoon.

**The Hall's AGM will be at 7pm on Friday 19<sup>th</sup> May.** All are very welcome and there will be opportunity for all to comment or have their say about the way the hall is run, future events etc. Refreshments will be available. Hopefully our AGM won't overshadow that coronation thingy.

### **Draw Club**

April's March draw was as follows; 1<sup>st</sup> prize of £23 to Ann Cleall, 2<sup>nd</sup> John Wickham £15 and Ruth Wilson received the 3<sup>rd</sup> prize of £10.

The new year for the monthly draw begins, so please get your completed forms to Alan Mason at Cartref, Heathfield Close – A question that I often wish that I got asked often is, "Can I have more than one ticket?" and the answer I would have given had I been asked is, "Yes, of course you can".

### **May 4th- Polling Day**

As usual, the village hall becomes a polling station for the day. Doors open at 7am and close at 10pm (I really need my beauty sleep, so thank you John Mangan).

If you intend voting, please do remember to take some means of photographic identification along with you.

### **Coronation Events**

As expected, all 80 tickets have been sold for the excellent value afternoon Big Buffet Lunch on Sunday 7<sup>th</sup> May. Thank you to Lyn Morgan for her sterling work in organising and controlling the production, sale and delivery of the tickets – well done!

This event is only happening thanks to the efforts of a small team of people willing to give up their time (regardless of their views on the idea of monarchy!) and we must thank them all. Without people willing to lead, organise and do, no events will happen. I'd also like to make a couple of special mentions; one for David & Silvia Carter who sourced and will be collecting the all-important food and another for the wonderful generosity of Il Calabrese Restaurant and The Owl Tea Rooms for their donation of the two special draw prizes.

Monday 8<sup>th</sup> sees our first litter pick of the year, starting at 10:00. Afterwards, at 11:30, courtesy of our Parish Council, there's a gathering of volunteering locals to enjoy a bacon roll and a cuppa at the village hall – the current expectation is for 30 of us to be there but, it's not too late to book a place! See details on page 11.

### Other Events

**Bingo** and **Coffee Morning** attendance continues to be good but for the number of punters **Pub Night** seems to be dwindling. We're looking at ways to rekindle attendance as the stalwart few would like this convivial meeting to continue.

Dear Friends,

The month of May is a natural turning point in the year. The hours of daylight are already lengthening, temperatures are rising, hedgerows and trees burst into life, birds, insects and wildlife are going about their business and summer is on the breeze. May announces the arrival of Spring and anticipates the forthcoming of summer and I, for one, look forward in anticipation to yet another sailing season!

From the earliest of Roman times in honour of the goddess Flora, to dancing around the maypole and the crowning of the May Queen, the month of May has always been an important month and has been marked with special ceremonies, ritual and devotion. In Oxford, May Morning revellers gather below the Great Tower of Magdalen College at 6am to listen to the college choir sing traditional madrigals.

For many Christians, May is also known as Mary's month, in which the Mother of Jesus is honoured with special devotion. The month ends with the Feast of the Visitation which recalls the visit made by Mary, pregnant with Jesus to her cousin Elizabeth who at the time was pregnant with John the Baptist. This Feast Day is marked locally, with the National Pilgrimage to Walsingham on Monday 29<sup>th</sup> May when people from all over the country make their way to England's Nazareth, as the village of Walsingham is known.

As spring begins to turn into summer there is much to do, especially in the garden, but with three Bank Holidays I hope you find time to enjoy the merry month of May.

Kindest regards,

Fr. Howard

**HOME VISITING:** If you would welcome a visit from the parish clergy or a lay member of our pastoral team please contact the Rector, Fr. Howard.

## ***The Big Help-Out: Monday 8<sup>th</sup> May***

The Parish Council is delighted to welcome Claire Chapman from North Norfolk District Council, our Community Connector, to our **Big Thank-you to All Volunteers** event taking place on Monday 8<sup>th</sup> May as part of *The Big Help-out*. (See opposite page for details of this event and the Village Litter-pick taking place the same day.)

Claire is currently supporting High Kelling residents to meet like-minded people by connecting them to voluntary and community groups. She is looking forward to meeting as many residents as possible to hear about village life and to share information with you.

*“Volunteers are an integral part of all communities, whether in a regular role or just a one-off basis. Without the help and support volunteers provide, many activities would not take place. I feel privileged to join you on the 8<sup>th</sup> May, to help celebrate the volunteers living in High Kelling.*

*As a Community Connector, I meet volunteers daily from all walks of life and have met many High Kelling residents in volunteering roles at the Holt Youth project, The Treehouse, Little Lambs and North Norfolk Railway so far. I would love to hear about your story, share your experience, tell me about where and why you volunteer.*

*If you would like to volunteer but are unsure where to start, I can also help you get involved. I look forward to celebrating with you!”*

## Village Litter-Pick

If you'd like to take part, in the spring litter-pick, please come to the Village Hall at 10am. You will need appropriate clothing, boots and gardening-type gloves, plus a Hi-Vis jacket if you have one (if not, we can loan you a vest). The Parish Council provides the pickers, hoops and bags. Refreshments are available afterwards. It's a great opportunity to meet fellow villagers as well as tidying up our village!

## A Big Thank You to All Volunteers

The Parish Council would like to thank everyone who has given up their time to support village life and create a sense of community, whether you've helped out at Village Hall events, the Church, Speedwatch, Toadwatch, Litter Pick, the Social Club, delivered the Chronicle or been involved with any other community activities. High Kelling wouldn't be the same without you!

You are invited to the Village Hall on 8th May at 11:30am for light refreshments to celebrate all your hard work on behalf of the village. If you are able to come along, please let Cllr Patrick Kelly know, for catering numbers, as soon as possible on 07598 256400, or email him on [patrickkelly9@btinternet.com](mailto:patrickkelly9@btinternet.com)

### **Become a Volunteer Driver?**

The Holt Area Caring Society is looking for more volunteer drivers. We drive anyone who is a patient at the Holt Medical Practice to medical appointments, and we keep the cost to a minimum. Drivers use their own cars and are reimbursed per mileage. The Caring Society has its own insurance. Times are flexible and drivers can choose to do short or longer journeys (eg to Norwich).

Our service is very much appreciated by people in this rural area, where it is not easy to get to medical appointments. So if you are interested, please ring **01263 711243** and speak to Liz or Rachel, our co-ordinators, and we can send you an application form. (NB The same number applies if you are requesting a car.)

Very many thanks,

**Peta Benson**, Chairperson

## Green Village

*Earlier this year Cllr Patrick Kelly attended an EcoChurch meeting about local initiatives being taken to protect the environment. Reasons of space have precluded inclusion of his report in previous issues, but it is now set out below.*

The Parish Council continues to make links with other groups having an interest in protecting the environment. On 6<sup>th</sup> February an EcoChurch meeting was held at St Andrew's, Holt to exchange information about local developments.

EcoChurch is an award scheme for churches who wish to improve their environmental impact, and St Andrew's has recently been granted the accolade of a bronze award. A lot of work has been undertaken in the Churchyard, including managing a wild area, planting vegetation and hosting a number of beehives. The Church also holds an annual litter pick and will be collaborating with other groups to record sightings of flora and fauna for the 'Count on Nature' project scheduled for June. It is also hoping to trial the *Terracycle* scheme for collecting toothpaste and other dental waste.

It was noted that, given the amount of work undertaken recently at All Saints Church in High Kelling, including the planting of trees to mark the Platinum Jubilee and the construction of a 'bug hotel', it might qualify for an EcoChurch silver award!

The Greening Holt initiative has been active around the town installing bird, insect and bat boxes, planting trees. A reusable coffee cup scheme was introduced recently. Future ideas include a Holt Open Gardens planned for 2024.

### ***Want to meet new friends and have fun while mastering a new skill in 2023?***

*Why not come along to High Kelling Village Hall and try your hand at Short Mat Bowls in a warm, friendly environment with refreshments provided? We are offering free afternoon taster sessions with expert tuition from experienced players. (Wednesdays 1:15 to 3:15, Thursdays 1:15 to 3:15 and 3:30 to 5:30, and Sundays 1:30 to 3:30.) If you would like to find out more, contact **Lyn** on **01263 713898** or **Tony** on **01263 713119** and arrange a taster session.*

## Signs of Spring

*Another local nature feature by Pineheath Road resident Jane Fejer*

Autumn and winter past, where nature has slumbered and the sounds of the pink-footed geese, with their chevron flight and honking sounds no longer filling the skyscape above the village. Breath no longer seen on the air.

Nights becoming shorter, the days longer. Sunrises are earlier with hues of pinks and reds, preceded by the 'blue hour' early morning with daily changes to the dawn. Warming and welcoming with new spring scents felt in the air.

Walking past the tree-lined tarmac river, with its thunderous sounds, towards Bodham. A panoramic window opens up, where the scene of morning greets the day, where at times the open fields and hedgerows are covered in early sea mists travelling up from the coast hugging the bare-branched tree-tops.

Turning into the entrance to the woods we are greeted by blackbirds scurrying along at our feet, no fear shown, not even with the dog (Morse) walking alongside, nose busy to catch the scents of early morning. They accompany us as we disturb the path for them to grab whatever they can to eat.

Spring equinox brings the early daily awakening of the skies above as well as the stirrings to trigger the new seasons of nature. These, summoned upon by the increase in sunlight, start to wake up with these early beginnings. The branches, once covered in frosted blanket of winter, change in colour to warming sunlight tones as the water rises up fast within the trunk to the crown.

There is then a hurry, a surge through the woodland and within gardens, covering them with a blanket of snowdrops, then nodding heads of yellow and white daffodils amongst the still-faded autumn leaves. Finally, bluebells begin to spread their blue glow, while the trees still await the budding of their leaves to form a light green canopy and bring their filtered light to the woodland floor.

To accompany nature's awakening, the birdsong is becoming louder heralding the new dawn and dusk. Birds mark out their territories, with new brighter plumage of feathers. Nest-boxes to find and new nesting sites to secure. The rooks' louder caws form a bass note to the robins' first call of the day. Dawn chorus, nature's symphony.

Gathering apace, this rush hour of nature to get things started, Lambs-tails' catkins start the tree-flowering, followed by blackthorn's sweet white blossom. Then the pink and white cherry-tree blossom and magnolias. This symphony of colour and the 'budding' of leaves that uncurl to welcome their new year.

Spring has arrived.

## **Don't forget the Local Government elections on 4<sup>th</sup> May . . .**

. . . but remember that under new UK government legislation all persons voting in person at a polling station now need to provide photographic identification before being issued with a ballot paper.

Accepted forms of photographic identification include:

- a passport;
- a driving licence;
- an identity card bearing the Proof of Age Standards Scheme (PASS) hologram;
- an Older Person's Bus Pass;
- a Disabled Person's Bus Pass;
- a Blue Badge.

Although there are alternatives for persons not holding one of the accepted forms of identification (namely, a free Voter Authority Certificate or a postal vote), the deadlines for applying for these in time for this month's elections have now passed.
